**18th Annual Korean Festival**

August 20, 2022

On behalf of the people of Hawai'i, I send a warm aloha to all attendees of the 18th Annual Korean Festival themed, "Celebrating Together—Once Again."

In 1903, the first 102 Korean immigrants arrived in Honolulu. Over the approximate 60 years that followed, thousands more arrived to work on sugarcane plantations, eventually settling down to start families and establish schools and churches on the islands. Today, there are more than 50,000 Koreans living in Hawai'i, who continue to build on the foundation laid by their forefathers, making significant contributions to the fabric of our community and further enriching our diverse culture of the islands.

The Korean Festival is held annually to share, promote, and raise awareness of Korean culture in the community. This year's festival will feature mouthwatering and flavorful Korean foods, a kimchee eating contest, cultural dance performances, as well as booths offering locally handcrafted products and imported products from Korea. Net proceeds will be used to fund service projects and ventures which benefit the Korean and larger community in Hawai'i.

Mahalo to the Hawai'i Korean Chamber of Commerce, presenting sponsor, Korean American Foundation Hawai'i, and the Hawai'i Tourism Authority for your hard work to unite the community through this wonderful celebration. Mahalo to the donors, performers, volunteers, and other sponsors for helping to make this year's in-person festival possible. I wish all of you a fun, safe and enjoyable time.

With warmest regards,

DAVID Y. IGE  
Governor, State of Hawai'i

**MESSAGE FROM MAYOR RICK BLANGIARDI**

I am pleased to send my warmest aloha to everyone "Celebrating Together — Once Again" at the 18th Annual Korean Festival on the Frank F. Fasi Civic Center Grounds.

This popular festival showcases the richness of Korean culture and heritage in Hawai'i, featuring an array of food, music, dance, crafts and fun activities. This annual festival also helps unite our community in pride and celebration. Mahalo to all of the businesses, community organizations, and hundreds of volunteers who contribute to making this event possible.

Since 1940, the Hawai'i Korean Chamber of Commerce has been promoting Korean business diversity and growth in the islands. Our community is grateful for your continuing efforts to enhance business opportunities, create economic vitality, and perpetuate goodwill among Koreans in Hawai'i and abroad.

On behalf of the people of the City and County of Honolulu, I extend best wishes for an enjoyable and enriching celebration.

Rick Blangiardi

**Proud sponsor of the Korean Festival since 2002!**

**Congratulatory Message  
from Consul General Hong Seok-in**

안녕하세요! I send my warmest *aloha* to everyone at the 18<sup>th</sup> Korean Festival.

The Korean festival is the largest and oldest event held in celebration of Korean culture in Hawaii, where Koreans and locals alike join together to enjoy delicious Korean food, watch colorful performances, and listen to beautiful music. After the brief suspension last two year due to COVID-19, the event will resume this year to feature a wide array of friendly competitions where people can sing aloud their favorite K-pop songs and show off their dance moves for all to see.

The Korean community in Hawaii started with a small number of immigrants who arrived in Honolulu to work at sugarcane plantations 119 years ago. Despite the immense hardship they faced as immigrants from a faraway land, our ancestors built schools and churches to contribute to the development of local communities, as well as pitching in for the noble cause of their homeland's independence from colonial rule.

Today, the Korean community comprises a vital part of Hawaii's society, economy, and culture. I believe that such a success was made possible not only because of the well-known traits of tenacity and hard work of the Korean people, but also thanks to the locals who welcomed Koreans and their culture with the spirit of *aloha*. I hope this year's festival serves as a celebration of such friendship and harmony and that every visitor to this festival has a chance to share the same spirit of *aloha* while having a wonderful time with their friends, loved ones, and neighbors.

I would like to extend my sincere gratitude to President Gina Kim Nakamura and members of the Hawaii Korean Chamber of Commerce for their tireless work in organizing this event, as well as to the State of Hawaii, City and County of Honolulu, and many other sponsors and volunteers for their valuable contributions. 감사합니다! Mahalo!

## Message from Presenting Sponsor Korean American Foundation

Korea Festival 2022

The Korea Festival is back in Honolulu after two years! The idea of an annual Korea Festival started over twenty years ago as the Korean community prepared for its Centennial Celebration of Korean immigration to Hawaii in 2003. When the centennial ended the Korean American Foundation, Hawaii formed and made the Korea Festival as one of its major initiatives. The festival is an important way to celebrate the Korean community in Hawaii, and the Foundation is pleased to be a major sponsor.

Everyone in Hawaii knows about Korean foods that embody so much of a flavor of Korea, but as the festival shows there is much more to appreciating Korea than only its food. Korean dance is an important expression of Korea as are its arts and handicraft. And to grasp Korea's Hawaii roots the festival presents a photo exhibit that helps highlight the nearly 120 years of Koreans in Hawaii.

The Korean presence in Hawaii is unique as Korean immigration came just after the United States annexed the Hawaiian Islands. It also occurred just as Korea was losing its sovereignty over its own homeland.

The earliest Korean immigrants had to adjust to a hard planation life in a new environment, while also seeking to regain Korean sovereignty. Out of these struggles emerged a vibrant Korean community, dedicated to economic survival, education and Korean independence.

We hope that by spending part of your day enjoying the festival, you will walk away with a better appreciation of the Korean experience in Hawaii, as well as the importance of all of Hawaii's ethnic groups as they contribute to the building of Hawaii.

Kamsahamnida,

**Edward J. Shultz**  
**President, Korean American Foundation, Hawaii**
